Debtor

Case No. 16-3371

Reporting Period: April 30, 2017

SCHEDULE OF CASH RECEIPTS AND DISBURSEMENTS

Amounts reported should be per the debtor's books, not the bank statement. The beginning cash should be the ending cash from the prior month or, if this is the first report, the amount should be the balance on the date the petition was filed. The amounts reported in the "CURRENT MONTH - ACTUAL" column must equal the sum of the four bank account columns. The amounts reported in the "PROJECTED" columns should be taken from the SMALL BUSINESS INITIAL REPORT (FORM IR-1). Attach copies of the bank statements and the cash disbursements journal. The total disbursements listed in the disbursements journal must equal the total disbursements reported on this page. A bank reconciliation must be attached for each account. [See MOR-1 (CONT)]

IMPORTANT INFORMATION REGARDING YOUR OVERDRAFT PROTECTION LINE OF CREDIT STATEMENT

"PREV. BALANCE" and "PRIOR STATEMENT BALANCES" is the total unpaid principal at the beginning of the billing cycle. "NEW BALANCE" is the total unpaid principal at the end of the cycle.

Refer to the "TRANSACTION SECTION." The information within this section relates to the transactions that occurred during the statement cycle. Transactions shown in this section are the result of transactions affecting the loan. Transactions affecting the principal such as loans being made, the principal portion of payments received (if any), and other adjustments made. The principal balance from each of these figures is stated in the "PRINCIPAL" column. The principal balance remains unchanged between the dates of activity indicated.

The statement also totals fees assessed for the cycle and year-to-date. It also totals interest charged for the cycle and year-to-date.

Any payments received at other than the billing address may be subject to delays in posting.

The current interest rate is divided by 365 to arrive at the daily periodic rate. The daily periodic rate is multiplied by each of the different principal balances and then by the number of days each balance remained unchanged. The sum of these calculations equals the interest charge disclosed on the statement.

Send payment to:
Columbia Bank
P.O. Box 947

Send billing inquiries to:
